SEX ANGEL MANDY

I thought I'd died and gone to heaven when I saw angelic Mandy in the last issue of *Mayfair* (Vol 29 No 11). My cock certainly rose rapidly skywards! Forget those half-starved 'superwaifs', give me a heavenly body with succulent, sexy curves any day. Mandy might look like the (dream) girl nextdoor, but if she lived nextdoor to me I can guarantee I'd be straight over there, cock at the ready, in the time it takes to say "sexy cheeks". Her saucy, welcoming expression, 'Fuck me now' eyes and superb breasts are a wonder to behold.

All of Mandy's body is truly magnificent, however one part really stood out – as indeed did my cock when I clapped eyes on it. That fabulous bottom thrust saucily into the air left my bulge about to burst my boxers!

Once I'd quietened my unruly cock (for a while, at least!) I longed to congratulate Mandy on her fine taste in sheer white stockings. What wouldn't I give to be stroking her generous curves? Her bottom is surely the most inviting I've ever seen. If those buns could talk I bet they'd coo "fondle me now". Mandy, my voluptuous angel, if I could be with you now, I'd be on my knees, worshipping those buns forever! – David, Lincoln

RED HOT SUMMER

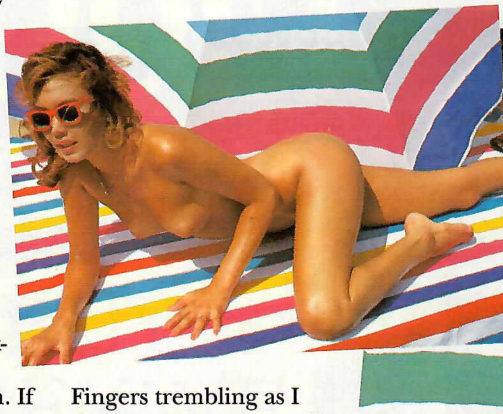
Thanks to my stunning nextdoor neighbour, this summer has been the hottest and horniest ever!

As soon as the sun came out so did her worldly charms, displayed for all to see in the skimpiest of bikinis. Most of my afternoons were spent hiding behind the fence, sneaking glimpses of her gorgeous breasts and easing my constantly aching cock.

One day I took a quick look and nearly shot my load in shock. My neighbour was playing with herself, fingers plunging in and out of her wet pussy, her breasts shaking each time they entered. With my cock hardening again, I took a deep breath, popped my head over the fence and said, "You look like you could do with a helping hand".

"I need something a bit harder than that!" she laughed. "Come here and satisfy me now!"

I didn't need telling twice!



Fingers trembling as I unzipped my trousers, I rushed round as my hand strained to contain my aching cock.

There was no need for formalities and I didn't waste any time in getting to grips with her.

"Mmm... oh yes!" she sighed as my dick plunged deep inside her. As I fucked her, a powerful rhythm seemed to take control of us. She arched her back with increasing pleasure and the groans became louder and more urgent. Just as she was on the verge of a massive orgasm I pulled out of her soaked snatch, leaving her shivering desperately. "Please give it to me!" she yelled. I thrust back inside her and the waves of orgasm shook her body. She ground her nails into the earth as she fought for control.

I could hold back no longer. Hot spunk spurted into her, on and on. I never knew my cock could produce so much!

As I withdrew she looked at my

Helen

Helen has a little complaint to make about us men: "You make love too quickly!" giggles the 19-year-old sales assistant. "Seriously, I've yet to meet a man who'll take the time to turn me on for an hour or two before screwing me. You know, when I play with myself I take all afternoon over it; teasing my nipples, stroking my pubes and rubbing my pussy. Sure, I could come in fifteen minutes flat just like you, but sex is so much more pleasing when it lasts for ages. So take my advice, fellas, and use your fingers and your tongue for at least an hour if you ever get me into bed. I promise it'll pay off for you in the end!"

A VERSE TO SEX?

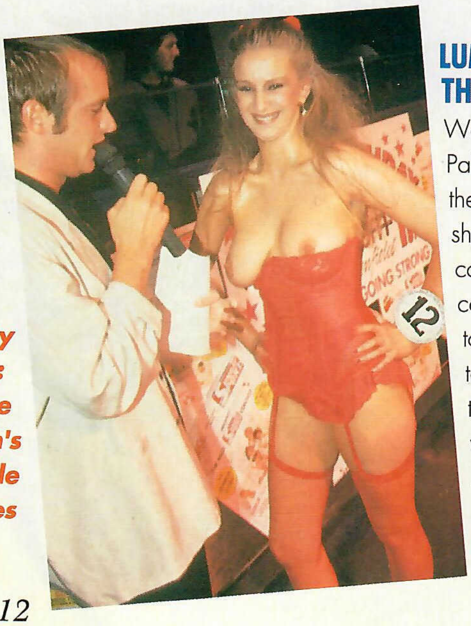
Have you ever written a mucky poem? It's nothing to be ashamed of — D H Lawrence did, along with Ovid and Catullus before him. Now the art of erotic verse, as it's called, is being recognised by Poetry Now magazine who are publishing a compilation of pervy prose, and also require your smutty contributions. There is a top prize of £100 for the best rude rhyme. Everyone who has a verse published will receive a "Poets do it with a pen" teeshirt which hopefully won't put you off! Send your saucy sonnets to Poetry Now, Erotic Verse, 1-2 Wainman Rd, Woodston, Peterborough, PE2 7BU. Sorry, but the one that begins "There was a young girl from Nantucket..." doesn't qualify.

SUBMISSION? A KNOCKOUT!

Here are some babes we'd happily submit to! These rubbery ravers were spotted at Submission, a club for fans of practically everything pervy. Leather, latex, lycra, fishnet or any other fun fetish clothes are compulsory just to be allowed in (Armani suit wearers don't stand a chance!) and behaviour is nothing short of raunchy. Once inside, the club offers music, dancing, bar and rooms to either chill out or be spanked in. But for most it's a chance to dress as hornily as they like and indulge their favourite fantasies for a night. Where is it? Well, Submission has no fixed venue (these shots were taken at the Chunnell in Vauxhall to celebrate Submission's 5th birthday) so you have to contact them to find out where their next monthly party will be. For details, buy some Boots talc, slide into a pair of rubber 501s and write to Chain Gang, BCM 4542, London, WC1N 3XX (without squeaking, if you can). You'll meet some quite amazing women.

EVIE KNIEVEL!

Guess what megababe *Mayfair* model Evie got for her birthday? A Fat Boy. No, that does not mean she had a night out with our rather rotund Editor. A Fat Boy is a type of Harley Davidson motorcycle. "I've had a ton up already!" gushed the beautiful biker. Really, Evie? We didn't think you were that kind of girl...



Booby prize: Louise Smith's double entries

LUMPY NIGHT AT THE PALLADIUM

Well, okay, it's not the London Palladium but a night club of the same name, although it should have been a big top cos this was the venue for the Miss Best Breast competition. Women from all over the country took part (or should that be took out their parts) to win the coveted booby prize. Quantity rather than quality seemed to be the order of the day with 38 inches the minimum entry requirement. After giving all the entrants a very close look, the big cup was awarded to 38-25-35 ex-London Transport switchboard operator 19-year-old Louise Smith. Louise has never been a shy girl, and claims her ambition is to bonk her boyfriend in front of a capacity crowd at Wembley Stadium! Breasting the tape in second were 20-year-old Michele Deade's whopping 38 inchers and in bronze were the brown 40 inch boobs of Jane Kearns. To celebrate, the 10 finalists all bopped around the dance floor. Amazingly the Palladium has not been structurally affected!

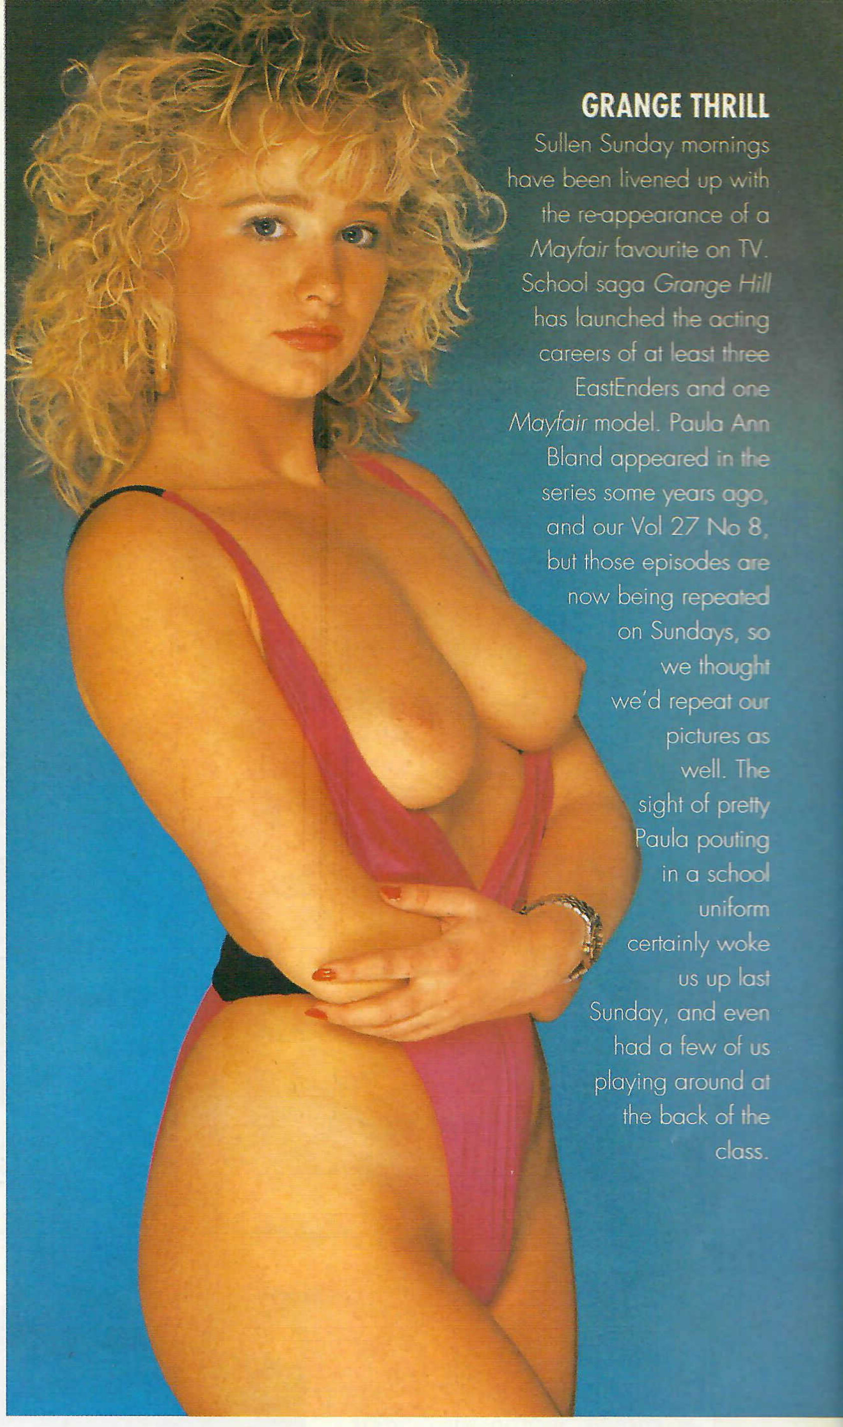
KINKY CLOTHES SHOW

Those who never made it off the sofa after watching *Grange Hill* on Sunday may have caught a recent edition of the *Clothes Show*. The programme featured the work of the Libido design team who work with PVC, lycra and a lot of holes, some in very saucy places. Too saucy for the boring old BBC, so we are happy to provide a catwalk for some of the outfits they refused to display on a Sunday afternoon. Women wanting one of their daring dresses, or one made up to their own even dirtier design, should strut into their shop at 83 Parkway, Camden, London NW1. How about one as a kinky Christmas present for your lady, lads? That should guarantee you both a horny new year.



GRANGE THRILL

Sullen Sunday mornings have been livened up with the re-appearance of a *Mayfair* favourite on TV. School saga *Grange Hill* has launched the acting careers of at least three EastEnders and one *Mayfair* model. Paula Ann Bland appeared in the series some years ago, and our Vol 27 No 8, but those episodes are now being repeated on Sundays, so we thought we'd repeat our pictures as well. The sight of pretty Paula pouting in a school uniform certainly woke us up last Sunday, and even had a few of us playing around at the back of the class.

NO PANE, NO GAIN

Brian Mantz is a window cleaner with a lot to confess! The shammy squeezer was working 70 hours a week when he decided to hang up his squeegee and become a full time artist, depicting some of the things he saw when he was cleaning windows. Mucky masterpieces reveal topless women in the office, at home and even in classic melons on the menu pose, at a restaurant. One of his best known paintings, Beach Party, has dozens of topless teasers cavorting around Tenerife. Now the Bristol based painter is exhibiting his work all over the south of England. Look out for this brush with nudity in libraries in Wimbledon, Tewkesbury, Poole, Bristol, Weymouth and Oxford between now and spring. We don't know much about art, but we know we like these cheeky pieces. Ⓜ

Sharon and Eve are no strangers to these pages and, it appears, no strangers to each other either. "I've known Sharon for a year now," reveals Eve. "We go out night clubbing together..."

"That's how we first got off together," chips in Sharon with a cheeky grin. "Do you remember?"

"Barely," says Eve. "I'd had five glasses of wine that night and I was a bit gone. But not too gone to leave my boyfriend in the club and get a taxi home with you..."

"We spent the whole night licking every inch of each other's body," recalls Sharon. "Neither of us had ever been with another girl before that but we soon made up for what we'd been missing!" Ⓜ

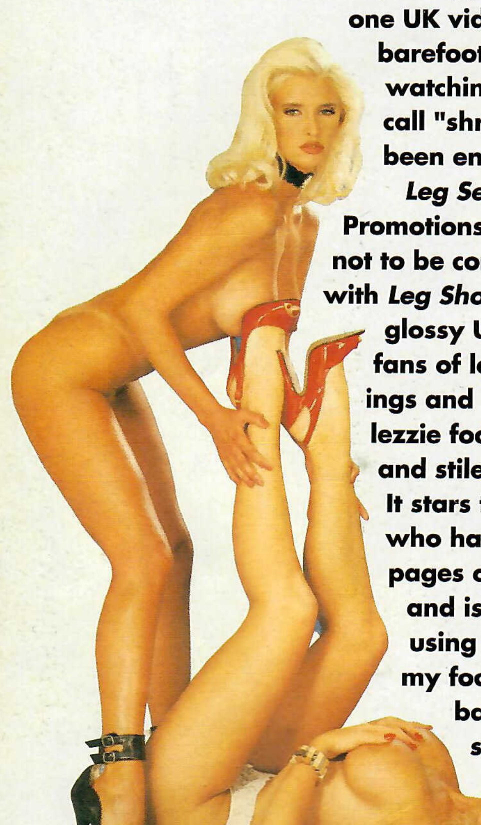
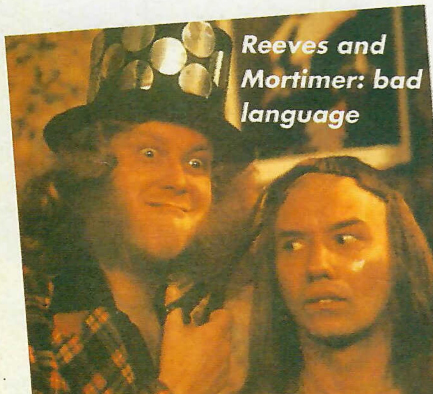
OKAY, TOOTS!

Despite all the furore about the toe-sucking exploits of Fergie, David Mellor and the like, foot fetishists get a pretty poor deal in the UK. There's just one magazine (more of a newsletter, really) and, up till recently, only one UK video. Now, though, British barefoot fanatics can have a ball watching what the Americans call "shrimping" and have been enjoying for years. *Leg Sex* (VLT Promotions and not to be confused with *Leg Show* the glossy US magazine for fans of long legs, shoes, stockings and bare feet) features lots of lezzie foot fondling, toe-teasing and stiletto-sucking (yes, really!). It stars two big brash blondes who have both graced the pages of *Mayfair* in their time, and is surprisingly horny (if using that word isn't putting my foot in it). And if teasing bare toots are your sole sex obsession then this old heel reckons you'll soon be filling your boots.



CAUGHT OUT



Reeves and Mortimer: bad language

Spotted filming for their latest BBC 2 series on the chilly seafront of St Leonards-on-Sea were Vic Reeves and Bob Mortimer (and a typically small film crew containing four lorries, a bus, a catering caravan, a Wynibago for the stars and a cast of a thousand luvvies). Why did they pick this wintry run-down resort? Presumably so they wouldn't be mobbed by fans. Over-heard was this conversation between two typically elderly residents:

"Who is it, dear?" said the old woman.

"They say it's someone called Dick Reeves," her husband replied. "He's one of those alternative comedians, apparently."

"Oh, I don't like them," said the lady pensioner. "They use too much bad language for my liking. It's not necessary is all that swearing."

"No," muttered the old man. "And they're not funny either. They're all a load of old bollocks in my opinion."

HA BLOODY HA

Christmas must be coming 'cos the video store is groaning with tapes of comedians' live shows. The words "Uncensored" and "As you've never seen them before" blare out from the front of every tape, as family comics slip the odd F-word in to prove they can be "alternative" too. Still they're not bad for a drunken laugh, so here are just a few of the ones on offer: *Mike Reid's Pussy in Boots* (On the Box) Uncensored etc etc adult panto (I wonder where he nick-nicked that idea from?) starring the ex-*EastEnder* along with Barbara Windsor and, would you believe, Ivy Tilsley! But best of all is *Mayfair* favourite Cindy Milo as Pussy vamping and camping like crazy. *One Night Stand: Foul, Live and Steamy* (Talkback) Mel Smith and Griff Rhys Jones in a live stage show. Lots of swearing and bad taste, I'm pleased to say, and genuinely quite funny. *Michael Barrymore Live* (Video Collection) Alwight but nothing special, this PG tape has no blue material just the usual "outrageous" audience participation stuff. Also lots of singing and dancing prove he is a very good entertainer (even when sober). *British Comedy Legends* (ITC) Clips from 60s and 70s TV shows featuring the all time grates including Morecambe & Wise from their 1962 ATV series long before they perfected their partnership. Mind numbing stuff. *Lenny Henry Live & Loud* (Video Collection) Loud suits, loud jokes, loud music but not a lot of loud laughter (from me anyway) as Lenny does his usual mixture of observational comedy and characters. Noisy and about as laid-back as an acid party. Ⓜ

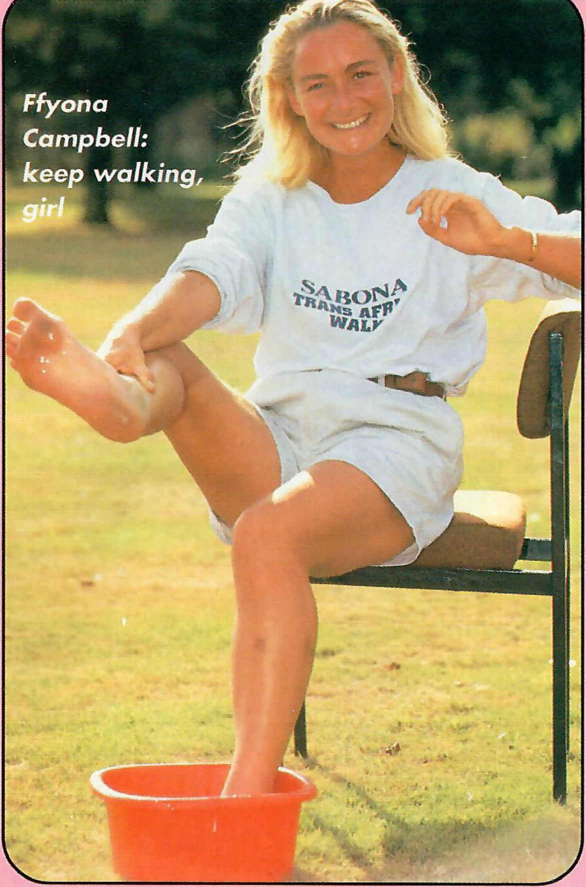
WOMEN WE LOATHE



Ffyona Campbell: keep walking, girl

As the old song says "Everything is beautiful in its own way". It's just that sometimes it's hard to see just in what exact way that would be. All women are lovely to us, but there are some we'd prefer not to run across (and others we'd only like to run across while driving a truck). Camille Paglia, American academic, lesbian rent-a-mouth and TV pundit is one. Paglia appears on Channel 4 practically twice nightly, and no matter what the subject under discussion she can always be relied on to talk about dicks. A typical Paglia sentence goes: "Aw, phallic imagery has always been an, aw, integral part of aw, children's TV. One has only to consider the aw, Magic Roundabout in which Zebadee, with his swollen scarlet head, is constantly springing up in the air and saying 'Time for bed' to recognise the erect penis motif that runs through the aw, programme". Personally we agree with our old English teacher: "Phallic imagery? It's just a load of old cock".

Kylie Minogue: would you like this girl as your neighbour?

> **"Camille Paglia can always be relied on to talk about dicks"**

Camille Paglia is a big fan of Madonna – she's even written a weighty tome on the subject. Call us old spoilsports if you like, but, no matter how many naked phot-shoots Ms Ciccione does with Naomi Campbell, we can't help thinking that the material girl's music still sounds like Boney M on a bad day. Still, at least she's original, which is more than can be said about Kylie Minogue. A couple of years ago we were told that Kylie had discoverd sex. More likely she had discovered *SEX*, Madonna's naughty coffee-table book. Ever since then she's been slavishly imitating the American's every move. It reminds us of the bad old days of British pop when the Musicians Union objected to foreign record imports and as a result we had to put up with Cilla Black covers of Dionne Warwick songs. The only thing to be said for it was that in those days Cilla still lived in Liverpool, so naturally her scouse accent didn't seem as strong then as it does now she has a house in the Home Counties.

Jilly Goulden: not to our taste

Imagine you live in a small, boring country. One day you pop out to the shops to get a paper and on the corner you see a blonde-haired English woman talking intently into a microphone. "Oh fuck!" you yell. "It's Kate Adie! Better run home and lock myself in the cellar." Yes, the sight of the BBC's foreign correspondent strikes fear into the hearts of men everywhere. She's the modern day equivalent of the Four Horsemen of the Apocalypse. Kate is one of three blonde bombshells we'd prefer not to find on our doorstep when we go out to collect the milk. Jilly Goulden from TV's *Food and Drink* is another. The barmy wine expert with the plummy voice has a nose so highly trained she can tell what brand of socks the grape treader was wearing. Strangely, though, when we invited her round to try and sniff out a slice of pizza we misplaced a couple of months ago she never replied to our letter. Ffyona Campbell is a ffucking dangerous blonde. The badly spelt toff walked around the world. For the last part of her journey she was accompanied by Janet Street-Porter and a mule. We could say something here like "Spot the difference", but we're far too gentlemanly for that.

HELEN Baldwin

Looking a little like a big-boobed version of Nicole Kidman, horny Helen Baldwin is back in *Mayfair* after only four weeks. "And what a month it's been," says the 23-year-old from Sevenoaks. "I've got a new job, a new car and even got myself laid! Though getting the guy's dick past my tits was quite a chore. He took one look at my boobs and dived in, spending ages rolling them about like two bowling balls. Then he squeezed them together and slid his cock between them. When he'd been doing that for twenty minutes I said to him, I hope my pussy's going to get some of that, sonny, or my boobs are going back in my bra. That seemed to do the trick!"

GARDENER'S WORLD

Getting your hair cut, claims Gary Gardener, can be a nerve-racking experience. Particularly when your barber is a 90-year-old Italian with a bad case of the shakes

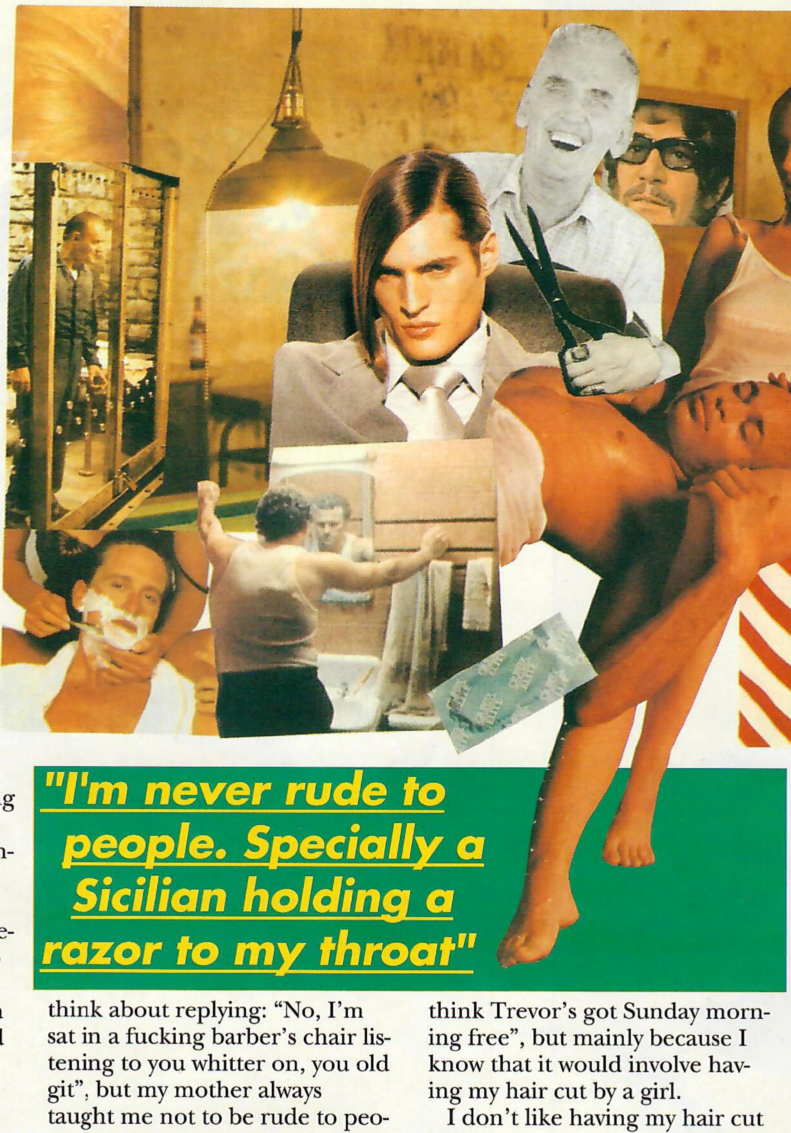
I've just had my hair cut. I know this because when I went into work everyone told me so. They said, "Oh! You've had your hair cut". Why do people bother to make this remark? What do they expect you to do? Clutch your shorn scalp with a look of horror and yell, "Bloody hell, have I? I knew I shouldn't have fallen asleep in the garden while the neighbour was trimming his hedge!"

Next up they come out with the other thing people always say in this situation: "Did you get your hair cut in the usual place?" To which I reply, "Yes, on top of my head". And that puts a stop to any further barnet-related remarks.

Actually I did get it cut in the usual place, Basin Bill of Stamford Hill. Basin is a proper old-fashioned barber. His shop smells of lanolin, is about as hygenic as a Turkish prison, and the walls are decorated with those pictures of 1970s haircuts that nobody in history (with the possible exception of Charlie George) has ever pointed to and said, "I'll have one of those please". In common with all such places, Basin's also has a collection of the *Sporting Life* dating back to the time when the Cheltenham Gold Cup was won by a woolly mammoth called Ug-Grunt's Lad. And when you've finished leafing through them, you are free to study the largest selection of condoms outside the Minnesota Museum of Contraceptive History whilst pondering the age-old question: why, in Britain, do condoms come in packets of three? Is it something to do with Friday night, Saturday night and Sunday morning? Third time lucky? The Holy Trinity? Fuck knows. And he isn't telling.

Basin Bill himself is a Sicilian of about 90. Most of the time Bill lives a quiet life, but once a month he and his old mates from Palermo go to an Italian drinking club in Soho and get tanked up on cheap red wine. Visiting his shop the morning after this bender has recently been recognized by the Dangerous Sports Club of Great Britain. Anyone who thinks that bungee-jumping or white-water rafting is perilous should try getting a razor-cut by an Italian pensioner with a bad case of the shakes.

Basin Bill likes to talk. In fact he likes to talk much more than he likes to cut hair. He clips away for about two seconds, then stops and chats for five minutes. Your hair is growing faster than he's cutting it. He says, "Are you working at the moment, Gary?" I think about replying: "No, I'm sat in a fucking barber's chair listening to you whitter on, you old git", but my mother always taught me not to be rude to people. Especially if they're Sicilian and holding a razor to your throat.



"I'm never rude to people. Specially a Sicilian holding a razor to my throat"

Basin Bill, it has to be said, is crap. If your hair could talk it would scream every time it heard Bill's name. He is to barbering what Hannibal Lecter is to the Meat Marketing Board. Even doing Duncan Goodhew's hair would be beyond him. I've been going to him for years though, and I don't see any reason to change. Mates are always recommending places to me. Places with names like Fringe Benefits and Mr Snippy's. Poncey shampoo and set salons with hair driers, coffee percolators, copies of *GQ* and a chest-waxing service. I never go to any of these. Partly because I suspect they're the kind of establishments where if you asked for something for the weekend they'd say, "Well, I think Trevor's got Sunday morning free", but mainly because I know that it would involve having my hair cut by a girl.

I don't like having my hair cut by girls. In fact that's not strictly true. I like it too much. Before I fetched up at Basin Bill's I used to frequent a primp and perm parlour called The Clip Joint. Here I had my barnet attended to by a young lady called Janice who came from Deptford, had bottle-blonde bubble-curls, bright red lipstick and the kind of buxom body that made everything she wore look as though it was shrink-to-fit. Janice had a tan the colour of baked beans and when she bent over to change attachments on her clippers you'd see right down the front of her overall to where the tan stopped. Then she'd start fiddling with your hair and one of her breasts would brush against your ear and you'd think, "Mmm, that's nice. Firm yet pliant". When it happened again a few moments later you'd feel something a bit harder and your mind would be re-assessing things; "Could be a nipple, but maybe it's just the underwiring on one of those white lacey bras, or a teddy, perhaps". A few minutes of speculation later, boing! The bazonker has cannoned off your ear again and you're going, "No, it's not underwiring. She's wearing some sort of a sports bra. Silky, elasticated, Lycra kind of thing. One of those ones you just slip your hand up inside and lever ever-so gently off revealing luscious pale, warm flesh with perhaps one of those really sexy dark little freckles nestling on the down-curve, and nipples the colour of Turkish delight and..." At which point Janice would say, "Well, that should do for a few weeks, Mr Gardener. You can pay Clive at the counter". And you'd be forced to walk over and pay, bent double and muttering "Terrible stomach cramp. Must have been that curry", and praying that no one noticed that your jeans looked like someone had erected half a tent in them.

Evidently I am not the only bloke to suffer in this way. According to a mate of mine, it's a bit of an occupational hazard for hair-dressers. Apparently this friend of my mate's uncle was in a hairdressers and witnessed the following incident. A man came in and was having his hair cut by one of the pretty girl assistants. As she was washing his scalp the girl noticed in the mirror that, behind the apron, the man's hand was moving rythmically up and down. Alarmed, she went to get her boss. Determined to humiliate the evil pervert, the salon owner rushed over to the man, yelled "Let this be a lesson to you, you dirty bastard", and ripped aside the apron to reveal... that the man was polishing his spectacles.

I told this story to Basin Bill. When I finished he laughed, "Yeah," he said, "very funny. But not quite as funny as the first 99 times I heard it".

It seems that barbers have their own urban myths you see.

CARLA

"She used to be a diplomat but now she's down the laundromat," croons half-Russian Carla, swaying to the rhythm of her favourite song. "Hopefully, for me it will be the other way round. I'd love to be a spy!" smiles the 21-year-old who longs to stroll down the sexually-charged corridors of power in six-inch stilettos. "I know I'd be good 'cos when a man sees my sticky little secret he can't help confessing all!"

cock and laughed, saying it looked far better (and bigger!) close up. She had known all along just what I'd been doing behind the fence. With the winter here now we've vowed to keep performing for each other to ward off the frosty chills. I suppose the moral of the story is that there's nothing like a bit of neighbourhood watch! – Andy, Hereford

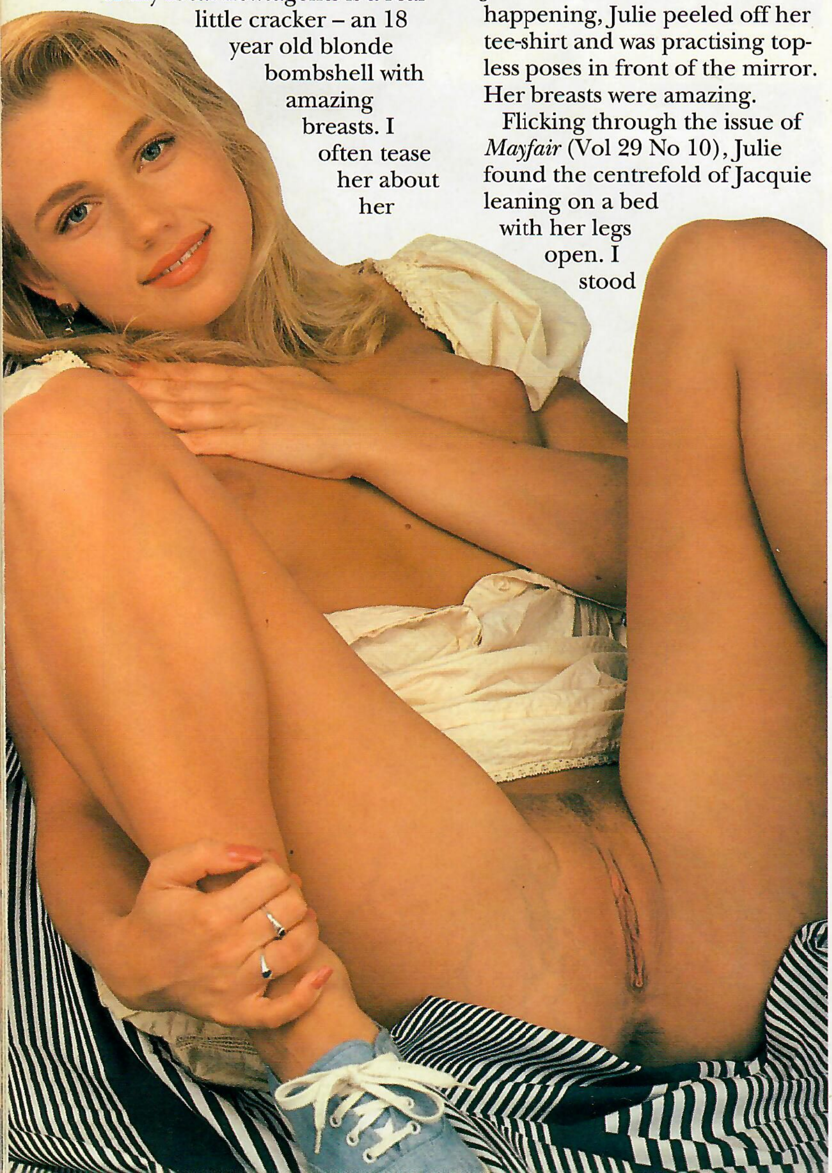
NAUGHTY NUDES-AGENT

Julie, the girl behind the counter of my local newsagents is a real little cracker – an 18 year old blonde bombshell with amazing breasts. I often tease her about her good looks and thought about suggesting that she'd make a great glamour model. I longed to see her posing in the nude, like the fantastic *Mayfair* girls, but never thought I'd get the chance to see her do it in the flesh – and more!

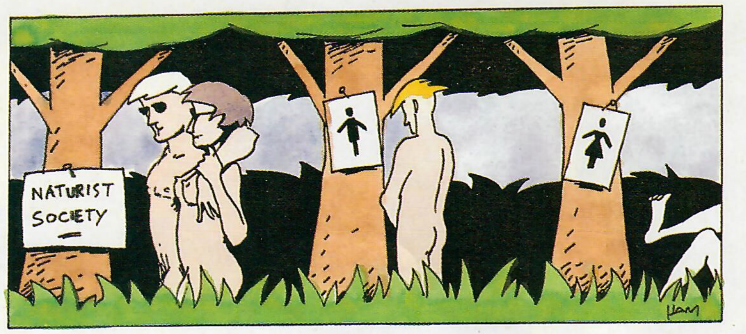
When I went in for the latest copy of *Mayfair*, Julie casually mentioned she fancied having a go at modelling. "How do you think I'd shape up?" she asked. My rapidly stiffening cock certainly knew the answer to that one!

She strolled into the rest room behind the shop, inviting me to join her. Before I knew what was happening, Julie peeled off her tee-shirt and was practising topless poses in front of the mirror. Her breasts were amazing.

Flicking through the issue of *Mayfair* (Vol 29 No 10), Julie found the centrefold of Jacquie leaning on a bed with her legs open. I stood amazed (and incredibly excited!) as Julie pulled off her jeans and knickers and imitated the pose. Her moist pink pussy stared me right in the face. I could scarcely believe my eyes but Julie definitely noticed the pleased reaction in my jeans.



SAFE SEX



Realising I desperately needed relief, she slowly unzipped my jeans and whipped out my stiff cock, wanking me with smooth, rhythmical strokes that rapidly brought me to attention. She flipped onto all fours and presented me with her peachy bottom. "Fuck me now," she gasped. "Fuck me from behind!"

Well, with an invitation like that, how could I resist? I plunged my whole length into her hot snatch, pumping away like mad while her curvy bum smacked against me, and she writhed and moaned to a powerful orgasm. The waves of pleasure shaking her body were too much for me and I came, spurting my spunk deep inside her in spasm after jerking spasm. It hadn't lasted all that long – but it was hot, hard, horny sex that left us breathless.

So remember lads, if there's a hot babe working in your local, friendly newsagent, she could be more friendly than you'd bargained for! – Steve, Cardiff

PERVY PARTY GAMES, ANYONE?

I couldn't resist writing in to you to tell your readers of the naughty party games I became involved in with my new neighbour recently.

When Kay, the megababe from the flat upstairs, invited me to a little bash they were having I thought it would be for a quiet chat and a drink. But when she opened the door that Saturday night wearing just a white lace body I realised immediately that things were not going to be that simple.

Entering the living room was like walking into paradise. Three of Kay's friends were sprawled on the floor in various states of undress: Meryl wore french knickers and nothing else, Jane wore a black bra, while Angie amply filled a basque. Kay looked at me quizzically and then giggled, "C'mon Dennis, you're not the shy type are you?" As I slipped clear of my trousers the size and intensity of my erection startled me.

"Why don't we play a game?" teased Meryl, sliding out of her damp knickers and tying them over my face like a delicious blindfold. I licked the sticky juice from them, slowly at first then faster, as greed from the sensual taste took over.

"Guess who?" whispered Meryl as I felt one of the girls straddle my face. Reaching out with my tongue, I licked and sucked at a hot, wet slit. One by one they came against my firm tongue as I struggled to match the different tastes to each girl.

The sensual blindfold removed at last, I lay back seeking relief for my stiff cock and what a relief it was! I sucked eagerly on Angie's tits causing her to cry out. Jane enveloped my toes with her soft lips (and I don't mean those on her face!). Meryl tantalisingly flicked her tongue against my balls and Kay took my cock into her mouth. Against this mighty assault of pleasure I shot

BARBARA

"I love having sex outdoors," says 19-year-old Barbara MacDonald. "I think it must be the thrill of knowing that at any moment someone might come along and find me with my lips around a guy's bits. I once got screwed in a field. We were surrounded by tall grass so I didn't mind stripping off completely. Then the guy I was with got to work between my legs, pumping in and out of me, rolling his hips while I clawed like a cat at his bum.

"It wasn't until I came for the second time and he shot his load on my tummy that I noticed we had company. There was a girl of about my age crouched in the grass playing with herself while she watched us at it. I can't say I minded though. Afterall, it gave me something to look at while I sucked the last of the come off my guy's dick!"

THE MAYFAIR MASS DEBATE

ARE MOST WOMEN LATENT LESBIANS?

In rock bands, soap operas, stand-up and sitcom, dykes are all the rage. But do women secretly desire each other? Our survey reveals some rather startling results...

At first the results of this poll are somewhat surprising. Well over half the female population has latent lesbian tendencies – what could this possibly mean for the future of mankind on this planet? Fortunately, a closer look reveals that whilst a lot of women secretly fancied mild foreplay with a member of the same sex, the per centage interested in full sex with other women was much lower (only 9 per cent). Even fewer were prepared to give up sex with a male partner (1 per cent).

The reason given for fantasies about foreplay with a fellow female were interesting too. "Gentler" was most popular, followed by "knowing what we like". Perhaps the 70 per cent of men who can't even imagine the possibility of their partner wanting this sort of activity could learn a lesson here!

INTERVIEW

Amanda from Weybridge; Age: 29; married

A Fantasy Fulfilled

"Yes, I have noticed that lesbianism is becoming fashionable, and no, that isn't why I tried it. Sexuality isn't something you change like the length of your skirt. Besides I don't like the word lesbian at all. I'm not homosexual. I'm happily married. I've just had these little fantasies, that's all... and recently one came true.

"Brian is very good in bed. He's not rough or anything, but I'd always dreamed about having a woman. I used to imagine the feeling of soft, gentle hands on my boobs, and long manicured fingernails teasing my nipples. Then I'd imagine a small sharp tongue flicking over my labia, darting inside, featherlicking my clitty. I would roll around groaning at the thought. Brian used to ask what I was thinking about but I didn't dare tell him.

"Then one day I was chatting to Ann. She's my door-to-door cosmetics sales girl, actually, but because I buy a lot from her we've become good friends. She's only about 22, and looks immaculate. Her make-up is pristine, and I found myself thinking about what it would be like to have those perfect red lips on my nipples. I soon found out.

"One day I confessed my feelings and asked if she'd ever thought about it. She said not only that, but she had done it. Apparently she shared a bed with her female flatmate to keep warm in a squalid flat she'd rented at University, and they had 'larked around'. Very, very awkwardly, I asked if she and I could... well... you know... give it a go.

"She smiled, but shortly after she was kissing me full on the lips. It was odd at first. I'd never tasted somebody else's lipstick before, but eventually I relaxed. That first time, she just nuzzled my neck and gently fondled my breasts through my blouse. Next time, I arranged that we would actually go to bed. Then for the first time my dreams came true. Her kisses on my breasts and pussy were so soft. Her tongue was so, so gentle. It was lovely, and yes, I came with a beautiful unhurried orgasm that I'd never experienced before.

"Now we meet regularly for a kiss and cud-

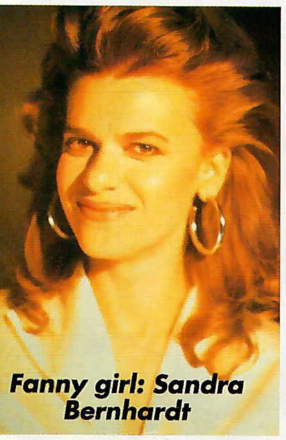
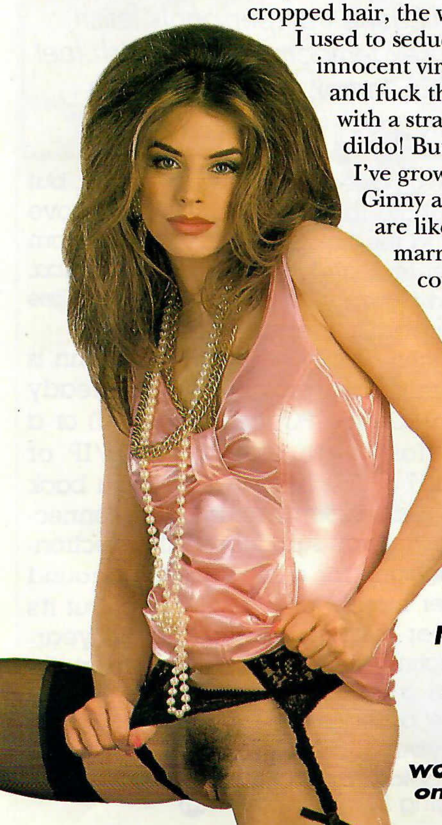
"Yes, I do have mixed feelings about the sudden media interest in us. It's great that the subject is being depicted in popular drama, but sometimes the way it's shown leaves a lot to be desired. There's a lot of lipstick lesbianism about, you know, pretty girls pouting at each other. But us real dykes don't want to be turned into some sort of slightly risqué act, like SM has become. You know, something for trendy girls to play at 'cos it's in.



Fanny girl: Sandra Bernhardt

"I've had lots of women in my time, but I'm happy with one now. In the past though I did the lot. I was a real SM dyke, leather suit, cropped hair, the works. I used to seduce innocent virgins and fuck them with a strap-on dildo! But now I've grown up. Ginny and I are like any married couple, squabbling over what to have for supper or who's doing the shopping.



Porn star Nikki Dial: beds men and women on film

"But the sex is still tremendous. I've toned down the act a bit now and we use small vibrators rather than big black ones. We're very gentle with each other, though I'm still the one in control. Ginny prefers it that way. She seems to like having a juicy 30-year-old fanny on her face!"

Dykes have got the box licked!

★ Last year Beth Jordache in *Brookside* outraged viewers (well, tabloid newspapers) with the first prime-time lesbian kiss, snogging her friend Margaret.

★ This year *EastEnders* went one better with the first multi-racial lesbian kiss on prime time BBC 1 between Binnie and Della, an act repeated many times since.

★ *Roseanne* was the first American sitcom to feature an openly lesbian character. One show caused considerable controversy in the States as it featured Roseanne going to a gay club and showing latent lesbian tendencies.

★ Channel 4 series *Out,* a magazine show for homosexuals of both sexes, became a regular 9pm show. Homophobes were furious.

★ Channel 4 also staged a show at the Montreal Comedy Festival featuring purely gay stand-up acts, including many lesbians, introduced by Julian Clary.

INTERVIEW

Maggie from Lincoln; Age 27; new lesbian

Bi Now — Gay later

"I suppose you could say I'm a born again dyke! I spent five years married to Max, a nice enough bloke, but then I discovered my true sexuality. For a while I did both, but now, quite frankly, I doubt if I'll ever go back to blokes again.

"Women are gentler, more fun and know what each other like. Women treat my clitty with respect, teasing it so I get a nice slow orgasm.

"Do I miss cocks? I miss the most OTT things they do. A dildo can fuck you but you can't give it a blow-job. I do miss the hot salty taste of a big prick and the feeling of being in control with my mouth. The only trouble is that cocks have a bloke on the end! Sorry, guys, but girls have given me a much better time with a Coke bottle than your cocks have. Because they are not in danger of coming themselves they can concentrate on slowly sliding it in and out.

"My favourite times, though, have been when a whole group of us have got together. Four or five girls all naked on the bed, squirming around on top of each other. It's wonderful 'cos it's ever-changing. One moment I'm tonguing a lovely shaven fanny, with a big boob in one hand and stroking a buttock with the other. Then suddenly I'm fingering a thick pussy, my mouth full of nipple, and there are two eager hands on my tits and a sharp needling tongue up my sticky slit. We go on like this till our bodies are slippery with our own and each others' juice and saliva, we're hot and breathless and moaning with pleasure. You can't get that from being married to a chartered surveyor!"

A SEXOLOGIST SUMS UP

It is easy to see from the evidence of readers' testimonies that many of the recently converted lesbians don't so much want women as any considerate lover. They see men as self-centred in bed. Women know what they like and seem more keen to provide it for each other. With the lesbian taboo gone, more women are free to do this which can only be a good thing.

Of course, this does not mean that all lesbian women just need a considerate male lover to become straight. Homosexuality is in our genes, but many of these fashionable dykes are not truly homosexual merely searching for sensitive sex. Perhaps we men should learn a thing or two from its rise in popularity and show our more gentle, female side in bed. Ⓜ

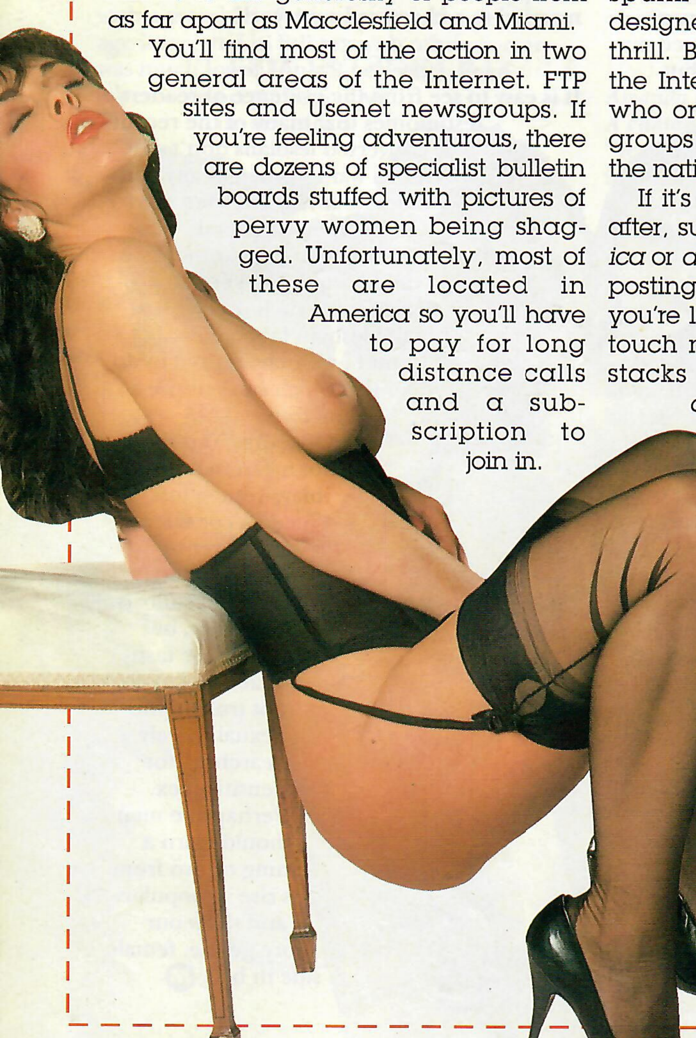
TECHKNOW

Struggling for a date? Tempted by an offer of unlimited free sex of the kinkiest possible sort? Adrian Roberts **reveals how you can shag your way around the new information superhighway...**

Forget all the fuss surrounding cyborgasms and future-zone vitual shagotrons. When it comes to computer sex you'll be pleased to know that hi-tech pervy offerings are with us right now. All you need is a computer, modem and some idea where to look on the Internet.

There's loads of sexy goings-on out there on Internet, a worldwide computer network linking over 30 million people. In fact, the Internet provides you with a window on virtually every sexual practice going. There's an abundance of written erotica ranging from inane ramblings to some rather classy work. There are discussion groups and sex-wanted sections where like-minded people get together to set up a shag and compare notes afterwards. Then there's the pervy pics, from huge image banks of sex, in still photography and video format, thanks to the generosity of people from as far apart as Macclesfield and Miami.

You'll find most of the action in two general areas of the Internet. FTP sites and Usenet newsgroups. If you're feeling adventurous, there are dozens of specialist bulletin boards stuffed with pictures of pervy women being shagged. Unfortunately, most of these are located in America so you'll have to pay for long distance calls and a subscription to join in.



FTP sites and Usenet newsgroups are free, once on the Internet, so you can subscribe to as many as you like. Really raunchy FTP sites are well-guarded places. Basically, they are computers located around the world, with hard disks stuffed full of sexy pics. The exact locations are always kept secret because the system would crash under the sheer weight of traffic if they were widely publicised.

All is not lost though. You will generally be allowed entry to this clique once you've proved yourself in the Usenet newsgroups. These are discussion groups, available to all, and a godsend for the cyberspace sexplorer. Join the Net and you've got accesss to over 60 spunk-spilling groups, all designed to give you a hi-tech thrill. But watch out for some of the Internet service providers who only carry a few of the groups for fear of corrupting the nation.

If it's the witten word you're after, subscribe to *rec.arts.erotica* or *alt.sex.stories* for general postings of a kinky nature. If you're looking for something a touch more exotic, there are stacks of special interest groups. Try *alt.pantyhose* if you like women in tights and stockings, or *alt.sex.fetish.diapers* if you're a big boy who looks good in a nappy. Other groups deal in exhibitionism, female domination and even the erotic potential of nasal hair.

If you want to meet new friends with a view to a good hard shag, look in some of the personal groups. Here's a taster of what to expect: *alt.personals.ads*, *alt.personals.bi*, *alt.personals.fetish*, together with the more general *alt.sex.wanted*.

You may well find pictures (known as binaries) posted to the above groups, but if it's photo fun you're after, then move along to the binaries groups. Apart from the general *alt.binaries.pictures.erotica*, there are plenty of other groups for those with special interests.

Switching on to the erotic infobahn is relatively easy providing you already own a PC (486 PC recommended) or a Macintosh with either a TCP/IP or System 7.5. A modem will set you back about £150-£250. Most Internet connectors will let you subscribe to the electronic shag-zone for a monthly fee (around £13 per month) plus a setup fee, but it's cheaper to sign up for a whole year. Contacting other users is charged at the rate of a local telephone call, even if they're based at the South Pole. Check with your local Internet provider for more details and you too could soon be shagging in cyberspace. Ⓜ

CHEAP THRILL

Belt up: the F355 reveals Ferrari's racing pedigree

Zero to sixty in less then three and a half seconds, 230mph, and a window sticker marked half a million quid; does this make the McLaren *F1* the world's fastest and finest roadcar or simply an unnecessary exercise in excess? Either way, it's hard to imagine just where McLaren think they are going to find buyers for the 300 *F1*s they plan to build. Not so with its rival Ferrari's young upstart, the *F355*.

Back in the late 1980s cars like the McLaren were all the rage. Barely a month passed by without yet another company popping up with plans to join the Ferrari *F40* in the 200mph club: Jaguar tried it with the *XJ220* which was as fast as a Formula One car, Yamaha produced the *OX-99* which looked like a Formula One car, Cizeta-Moroda fitted theirs with a V-16 engine, and more than a dozen other wannabes wheeled out other equally impractical high performance cars. Marketed as limited edition, investment supercars, these offerings did little more than separate a generation of yuppies from their wealth.

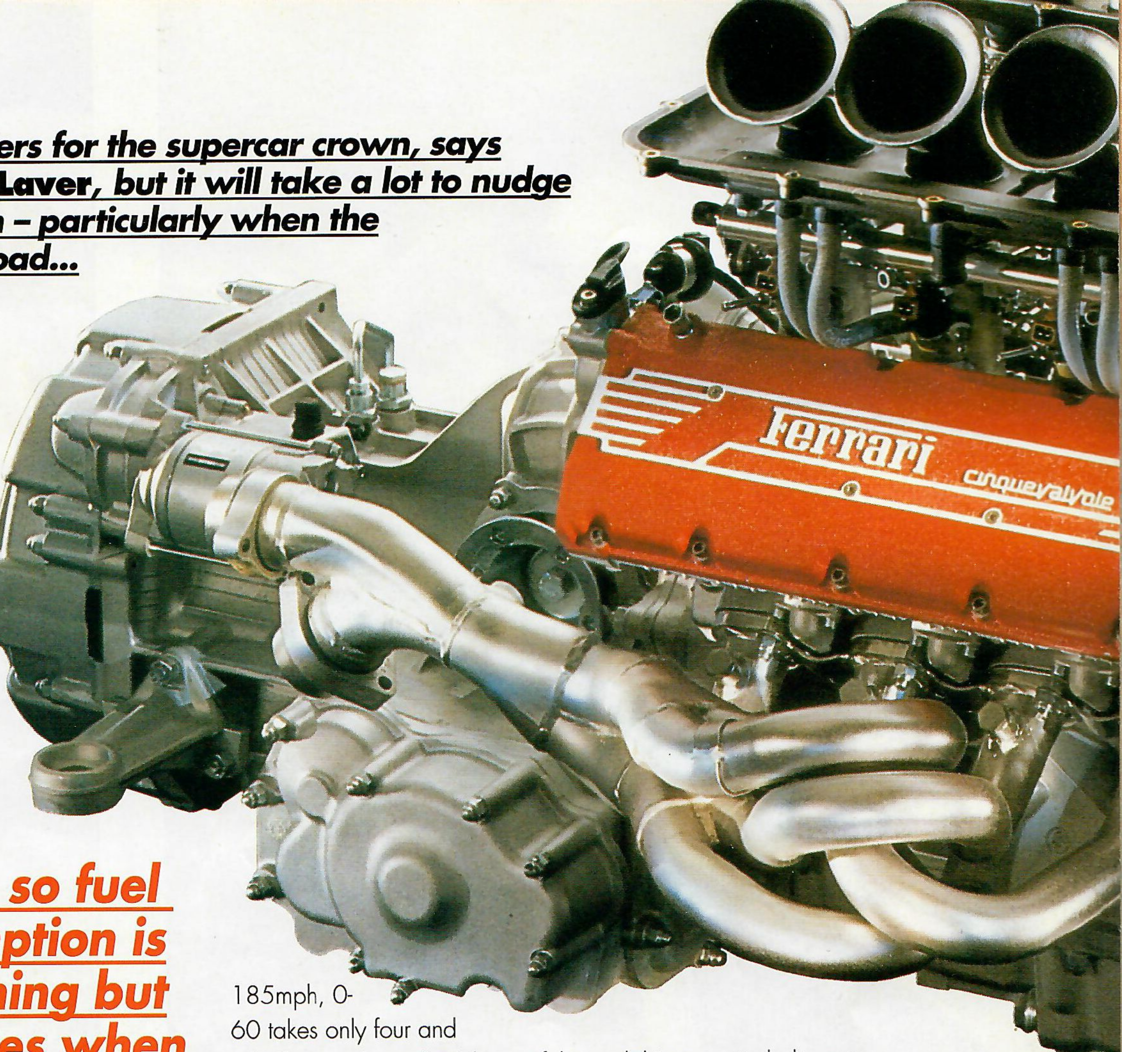
But as investments they proved as appealing as preference shares in British Rail. Jaguar prices plummeted and the company was forced to threaten to sue would-be buyers who wanted to back out. Yamaha cancelled their own project after building only three cars. In fact all of these projects proved that while almost any twit can design, build and sell vastly expensive cars, only Ferrari can consistantly come up with the goods and make a profit.

And make no mistake, now well into their fifth decade, Ferrari is the one to beat. Of all Ferrari's rivals, Lamborghini only has the Diablo and Bugatti the *EB110* while Aston Martin's *DB7* is really a Jag in drag and its *Vantage* is a veritable dinosaur. Only Ferrari, it seems, is capable of fielding a full team, a team which includes fabulous machinery like the elegant *456GT*, the *512TR* and the *348 Spyder*. They are soon to be joined by the top-of-the-range *F130*, an *F40* replacement designed to knock the McLaren *F1* back into its box, and, at the other end of the scale, the *F355* shown here.

Sporting classic Pininfarina lines and showing a return to Ferrari's traditional round rear lamp clusters, it is strongly

There are a lot of new contenders for the supercar crown, says motoring correspondent* Hugh Laver*, but it will take a lot to nudge Ferrari off the winner's podium – particularly when the 'budget-priced' F335 hits the road...

S?

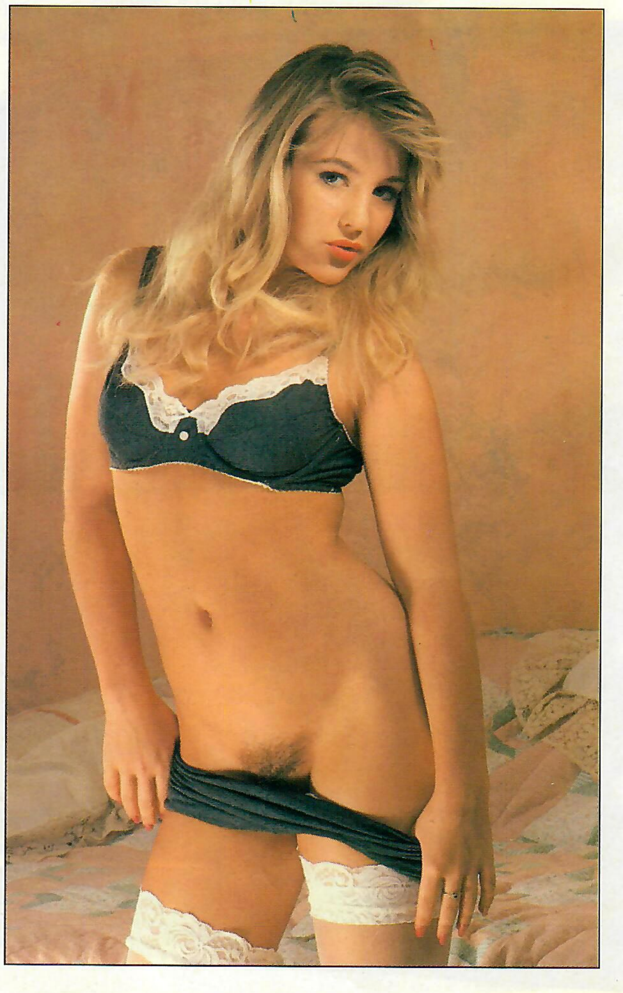


reminiscent of the old *308*. it is, however, a very different animal. As with most Ferraris the name, *F355*, tells you all you need to know: 3.5 litres and 5 valves per cylinder. Yup, five, and don't think it's a hi-tech marketing gimmick.

Small by Ferrari standards, this one nevertheless peaks at 10,000 rpm and pumps out 380bhp. That's a massive 109 horses per litre, a world record for a non-turbocharged engine and enough to give the newest Ferrari phenominal clout. Okay, so the fuel consumption is frightening but who cares when your top speed is 185mph, 0-60 takes only four and a half seconds, and a kilometre flashes by in 23 seconds. It's said that, in the hands of Ferrari's own test driver, the car consistantly lapped the company's private Fiorano test track faster than the 5-litre *512*, and after only one prod of the pedal I can quite believe it.

> **"Okay, so fuel consumption is frightening but who cares when your top speed is 185mph?"**

Lightweight titanium conrods and forged alloy pistons go some way to explaining the car's breathtaking urgency by keeping its weight down. In fact, at 3100 lbs, it is even lighter than its smaller-engined predecessor. It's also more luxurious and better equipped with a six-speed 'box, the best exhaust note this side of a *V12*, switchable ABS brakes, even selectable suspension, all thrown in for the £84,000 asking price. That's actually cheap for all that lot. The question is, boys, could you live with the humiliation of driving the bottom of the range? Ⓜ



MELANIE

PHOTOGRAPHS BY JOANIE ALLUM

Melanie Reeves has the sort of pussy men dream about — then wake up the next morning and have to change the bed sheets! But seriously, guys, it is something else. "No it's not. It's my pussy," says the tiny 19-year-old, rolling around on the bed and wiggling her bum in the air. "It's my favourite part of me, which is why I look after it so well. I won't have just any willy inside it. Only nice thick six-inchers that will exercise my pussy muscles.

"Tongues, on the other hand, are welcome between my legs whatever shape and size they are!"

THE SEXU

There's no business like show business if you fancy a sex life with variety. Jayne Hastings **reports on the profession where almost everyone is performing twice nightly...**

"One more time!" he screeched. Oh God, I don't know if I can do it. My heart is thumping, my body drained of breath and sweat is running in rivers down my back. We've been going an hour now. I'm dressed in black rubber (Mick likes rubber) which is streaked and glistening with my sweat. Pure adrenaline keeps me going, rushing through my head like a hurricane. My body rocks slowly at first then faster and faster to the beat until my sweat soaked hair is whipping my face. Still he keeps pounding and somehow my body responds to the rhythm. My poor little fanny is running with a mixture of my sweat and love juices and I wonder if I'm going to pass out from exhaustion. Then with an almighty deafening climax it's over. A roar fills my head, it goes dark, and every fibre of my being feels wasted. No more, please, no more. ▶

UAL ACT

HASTINGS REPORT

"That was great, Jayne," said Mick, sweaty but still able to talk. "Fifty quid okay?"

No I haven't become a hooker, though frankly it can only be less exhausting. For one night only, I joined a rock band as a hot sax player.

I've always been a frustrated performer, but here was a chance to indulge my fantasies, to find out if it was really as exciting as I imagined. Rock, comedy, panto, I was going to try the lot.

Mick, the heavy metal mutha, who wasted me in the upstairs room of a pub in Hammersmith, is 25 but looks 40. His long bleached hair hides a face that looks lived in (by squatters!) perched on a slim body, his tiny arse like two grapefruit in spandex. Is his appearance due to long nights of sex with a string of try-on maidens?

"No, lager!" he grins popping open another can of Extra Strength. But he's being modest. For although his state of disrepair may owe more to beer and too many nights on the motorway he has had more than his fair share of sexual success.

"Rock music is all about sex," he said. "Some book I read claimed it was something to do with the beat mimicking the alpha waves of the brain. Personally I think it's the tight trousers! Seriously, our songs provide simple role models for kids to identify with. Men wear leather, ride bikes and drink beer. Girls wear tight jeans and love men on bikes who drink beer. Stereotyped? Yeah! But it gives guys a chance to live out their macho fantasies and girls the excuse to play the 'tough-cookie'. It's a game."

So how has the game affected him?

"It's great 'cos all the girls see me as a tough, leather-wearing rock star not a failed mechanic from Oldham which is what I really am. The music and dancing pumps them full of adrenaline and sexual imagery and by the end of an hour they're as horny as hell. If they're with a bloke, he's in for the night of his life. If they're not, they come after me and the lads."

And?

"And, yes, we've had a few back in our room. Nubile nymphos in skin-tight jeans, puppy fat 18-year-olds with big bra-less breasts, horny housewives — we never have to persuade them. They're hooked on the myth that I'm the tough biker rock star, and they're dying to shag me. Who am I to turn them down? They come wanting it, and if we fancy it, we'll give it to them."

So does singing turn him on?

> **"All the music and dancing pumps you full of adrenalin so by the end of an hour you're horny as hell"**

"At first it did," he says quietly. "The music thumping away, the crowd shouting, the girls almost coming on the spot. But like everything, it becomes a routine. Did it turn you on?"

It was a fair question. A drenched pair of knickers proved that it did. Thrusting my rubber-clad tits and arse at burly biker-clones had my minge melting like liquid honey. But by the time I came off I was so hot and tired, I just wanted a shower, a drink and a lie down.

"Yeah, but just wait till you lie down," Mick said knowingly. "Once you've had the shower and the drink, that initial tiredness wears off but the adrenaline is still pumping through you. That's when you get randy! It's great if you're playing near home 'cos you can shag and keep going all night, but usually it means belting back up the M1 with a raging hard-on."

For some it isn't sex after the show that's important but before it. I read recently that when Bette Midler was touring she used to be fucked immediately before going on to wind her up. It sounds like a good idea if only to relieve the monotony of doing the same show again and again.

"I've a fucking good time doing panto — and a good time fucking!" says Miriam who once played a comic customer in a sitcom and is now eligible for the glamorous role of 'funny fairy'.

"Being in panto is like joining a randy factory! Everyone's bored with the job so they do anything to alleviate the monotony," claims the 30-year-old brunette. "On stage this means practical jokes, like grabbing the guys' goolies in the funny ballet scene or taping rude messages on the props. I once wrote 'I want to suck your cock dry, gorgeous!' on Aladdin's lamp before handing it to Abanaza. It didn't raise a laugh but it did raise something else!"

Off stage, behaviour is even worse.

"As well as the practical jokes, sewing up trouser legs, smearing Ralgex on knicker gussets and so on, we're like naughty kids who have just discovered sex.

So what's the worst she's ever done?

"Oh, there are so many," she blushes and giggles. "I suppose it was when I was playing Fairy Liquid in Cinderella. One of the

Uglies was an old mate and we'd been drinking at lunchtime. We were in our opening costumes, him in full drag, me in a tutu, and I was larking around asking what he had under his comedy bloomers. Normally it's a jockstrap, but in his case, as he showed me, it was just eight inches of throbbing cock.

"His expert tongue teased me to yet another orgasm"

"'You can't go on like that!' I said. 'The kids will see it poking out! Let me!' I put my hand on it and started to wank him off but, well, it was such a nice one I got carried away. My big red lips slipped over the knob end and I began to slide it inside my mouth. We rolled onto the floor. He soon had his head inside my knickers, his over-painted lips working away at my clitty. It was wonderful, though what we must have looked like — two big old tarts in huge frocks in a 69 — I'll never know. What I do know is that we got so involved we couldn't stop. I was sucking him over and over, and his expert tongue was teasing me to yet another orgasm when we heard the music start over the loud speaker. It was time to go on!

"Suddenly I pulled my sodden knickers up, wiped my smudged mouth and dashed on breathlessly to do my opening speech. As I was halfway through I heard a kid's voice from the audience, 'Urrr,' he said. 'What's that on the fairy's chin?' I was tempted to smile and tell him it was the Ugly Sister's spunk but I didn't!"

Miriam painted such a pleasant picture of come-soaked camaraderie that I thought a panto might be fun. Unfortunately my agent assured me they were all booked up, I would have to get my laughs some other way.

That was it! Stand up comedy, the new rock and roll. Could it also be the next sex? Dry observational humour had always tickled my funny bone, would it also tickle my twat? First I decided to talk to a girl who knows.

Grace, a pub stand-up who once worked in a trio called The Sticky Apricots, is alternative in every sense. Bi-sexual, she has had sex with men, women and men who are becoming women.

"There's an outrageous crowd on the comedy circuit," says the 25-year-old bottle blonde. "No sexual taboos at all. So if I want to be licked out by three lesbians or suck the cock of a man dressed as Carmen Miranda, I will. In fact, I have!

"Besides," she added, "once you've overcome the terror of going out on stage with a few gags to entertain 200 drunks and survived, you feel entitled to do anything!"

And she's right! I know! I did!

At a small pub in Balham is a Comedy Club with what's called an open mike spot. Members of the public are allowed five minutes to do a comedy routine in front of the cruellest audience outside of a Roman arena.

Once I'd staggered, shaking with nerves, on stage my opening lines (about sex!) attracted little more than idle curiosity, but the audience slowly warmed to me.

It was then I realised that my routine about sex was rather like sex itself. It starts off with those nervous hesitant movements, those delicate touches of breasts and balls. When they are welcomed with warmth, you go a bit further. Slowly the partners, in this case a girl and her audience, realise that you can let go. I threw caution to the wind, performing the one-liner equivalent of the greedy blow job, and they were reacting with gratitude. Their laughter at my jokes was becoming loud and immediate, as responsive as any sexual partner and urging me to go further.

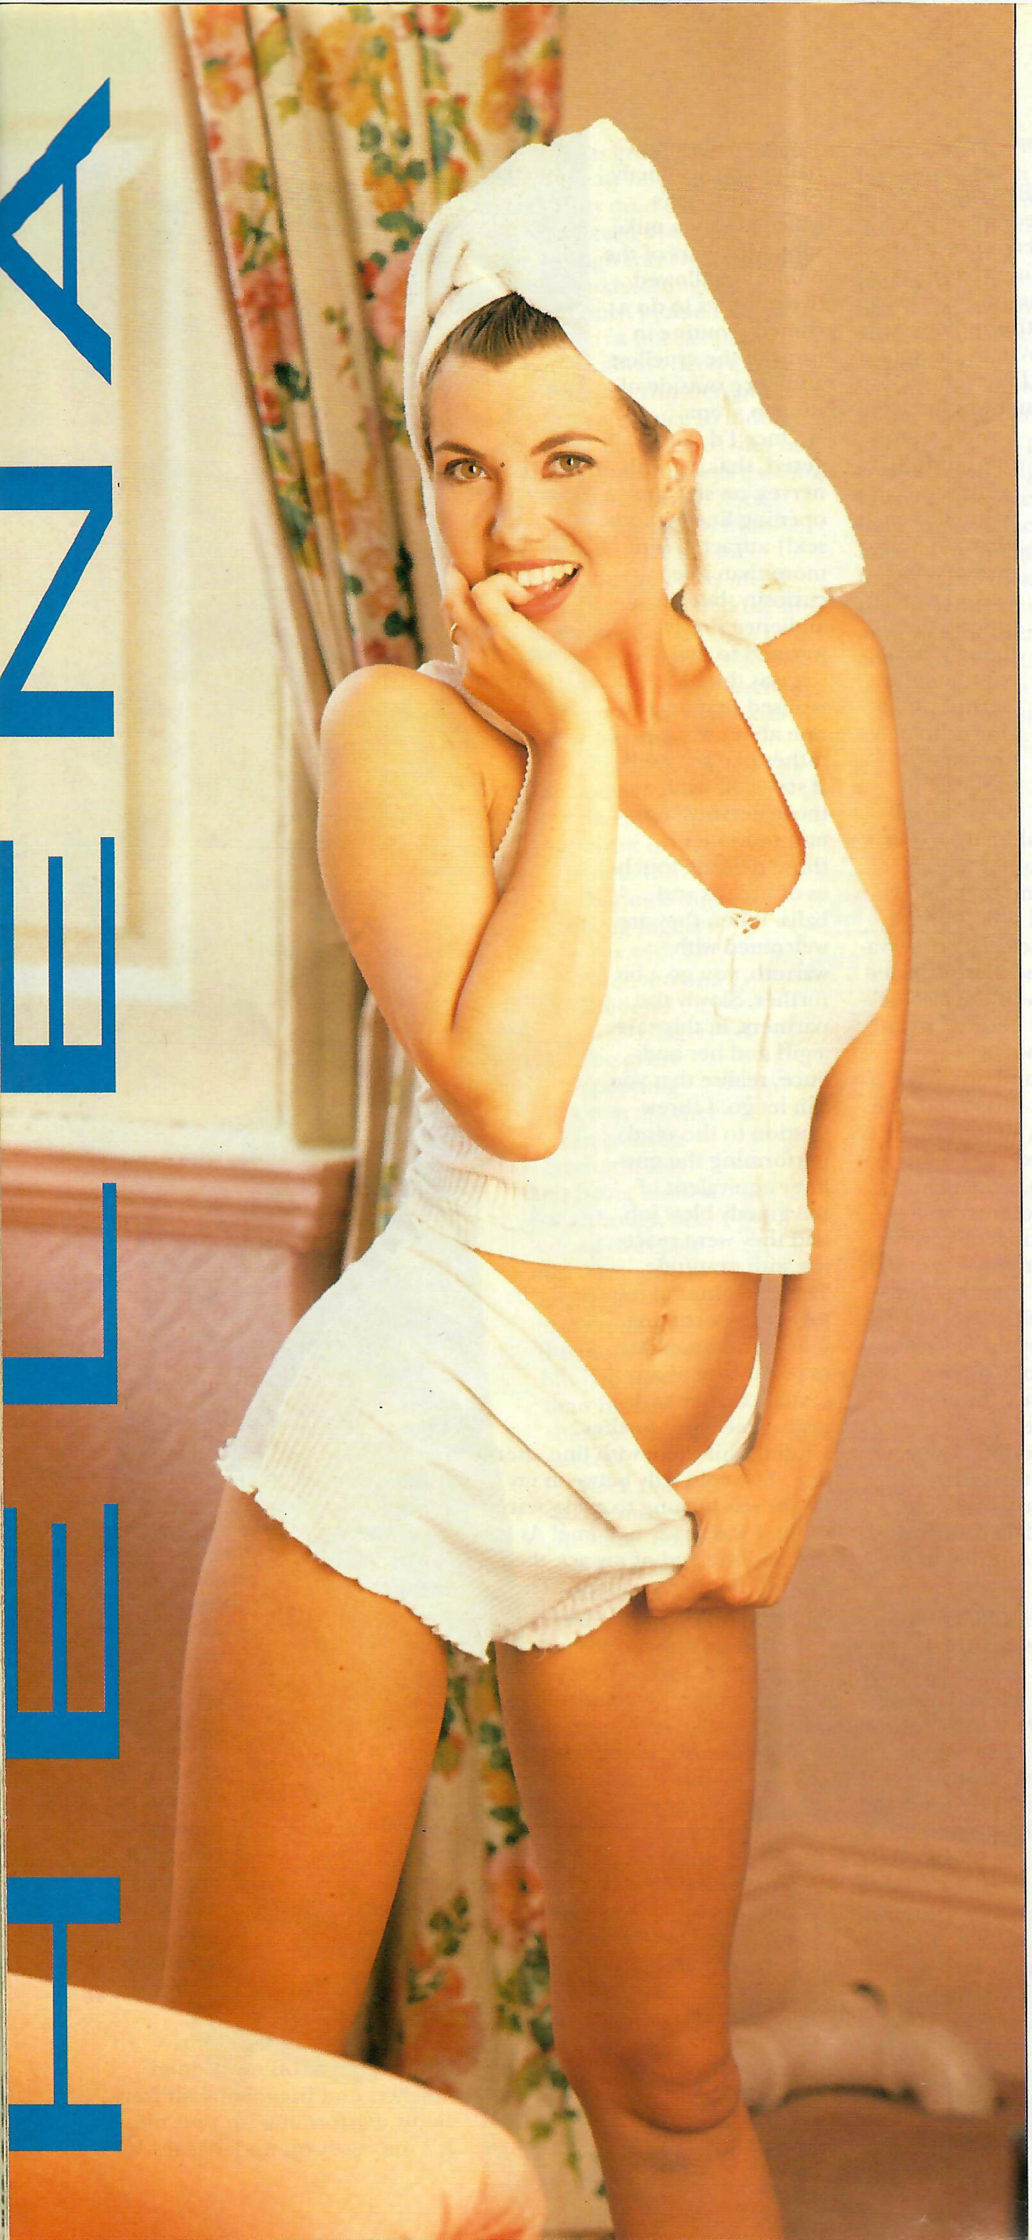
I did. I hit them with line after line. The cold jelly between my thighs was turning to sticky warm syrup. I was ready to come! As I reached the end of my act, their warmth flooded my brain. Their applause was like an orgasm, and I now realise exactly why people perform. It's just like getting off with a stranger 200 hundred times over.

Performing does make you horny, overcoming the fear, then turning strangers into friends is as potent as any foreplay I've ever enjoyed but unfortunately there isn't any sex. You go home having satisfied absolutely everyone but yourself.

Going to the bar, afterwards, I've never fancied a fuck so much in my life. A man sidled up to me and said nervously, "I thought you were very good." Every part of me ached to say, "Yeah, let's celebrate! Fuck me hard right here on the floor. Fuck me any way you want to. Smother me in your hot spunk!" I settled for "Thank you."

After a few drinks, I went home, slipped off my sodden knickers and frigged myself frenziedly. Performing isn't for me. It's too costly on underwear... Ⓜ

HELENA



Helena, 21, is still recovering from squeezing her tits into those corsets in Vol 29 No 10. "It was quite a thrill getting my boobs into those things, but it's just as sexy getting them out for you," says the market research manageress. "I suppose I've got what you lot would call 'quite a pair', and I like men to look at my boobs as long as they realise I've got a brain too!"

And what a brain! Helena boasts three A levels amongst her qualifications. "I'm learning to play the piano as well — when I'm not too busy playing with my tits, that is..."

Quest: How have you managed to keep the spice in your sex life?

Mrs L: Things had got pretty dull between John and I. We'd got to the point where we'd do the same things at the same time in the same place. Sex had become routine and a bit of a chore. Then one day I was off work and on my own in the house. I think I was doing the housework, actually! This huge feeling of lust swept over me. I had the music on and was swaying in time with it. I was imagining that I was doing this dance for my lover; a long, slow striptease...

Before I was really aware of what I was doing I had undressed, and my hands were moving over my firm flesh. A hot flush of desire was spreading up from my aching pussy and as I lay down on the couch I reached down and found my love button. I gasped as I circled my clit, my other hand busy massaging my firm breasts, tweaking their dark, jutting nipples. I was completely lost in a fantasy world where my fingers were replaced by my lover's. In my imagination he knew just where to touch me, lingering on all the sensitive spots that a woman knows on her own body.

Quest: Did you imagine that it was someone you actually knew?

Mrs L: No, he was my fantasy lover. They say that the imagination is a very powerful tool, you know! I was getting really turned on that afternoon as I slid two fingers deep inside me, thrusting them in and out imagining that they were the strokes of his huge, perfect cock. My other hand was still busy working my clitty, teasing the love juice out of my hole and making me wet and slippery. In my fantasy they were his fingers touching me, bringing me to the brink of an orgasm and then drawing me back as his cock thrust deeper and deeper into me. I was so carried away that I was oblivious to everything apart from the sensations that were coursing through my throbbing pussy. My fingers moved really fast, rubbing my tingling clitty as it swelled and pulsed. Then my hips bucked off the couch and I came with a great whoosh, the spasms wracking my whole body as I cried out loud.

Quest: Did you feel satisfied after that, or did it leave you wanting more?

Mrs L: I was surprised at the intensity of the feeling and it left me wanting the real thing! When John got home from work that night I was ready and waiting for him. I put on my sexiest lingerie and met him at the door wearing little else. He hardly had a chance to get his coat off before I dragged him up to our bedroom and pushed him onto the bed. I got him undressed in seconds and stifled his protests with a long, hard kiss. He didn't complain for long, reaching towards me and pushing my bra off my shoulders so he could fasten his lips around my nipples. As his tongue licked at them I felt the same heady feeling of sexual intensity that I'd felt that afternoon on my own.

"I felt myself come with a great whoosh!"

Quest: Had your fantasy reawakened your desire for him?

Mrs L: Yes, definitely! I couldn't keep my hands off him! I moved down over his body and took his already hard cock in my mouth, gently sucking and probing with my tongue. Then I used my saliva to lubricate my fingers which were massaging the base of his cock and his balls. He pulled me round so that he could return the favour, sliding his tongue between my pussy lips and nipping at my clitoris playfully. My legs spread to welcome him in. I could feel his breath tickling my hairs as he moved his mouth down until his tongue was flicking at the edge of my love tunnel. He moved back and forth, sucking first my hole and then my pulsing clitty.

We feasted on each other like that for what seemed like hours and I came several times. John's cock was straining against my fingers and I could tell that he wanted to come so I moved until I was sitting astride him. With one movement I impaled myself on him, pausing for a minute to feel him right inside me. I love to talk dirty when I have sex and I told him how much I loved having his hard cock inside me, how good it had tasted and how I had been waiting for him to do this to me all day. I felt his cock growing even bigger inside me and he moaned that he was going to come. "Not yet!" I ordered, raising myself off him. Then he grabbed my hips and pulled me back down onto him, ramming himself to the hilt until our pubic bones ground together. He began to move faster and faster as I milked his cock with my pussy muscles. I could feel another orgasm mounting and as I cried out in ecstasy John couldn't hold out any longer and his hot come spurted into me.

Normally we'd have cuddled up and gone to sleep after a session like that but I wasn't finished yet. I let him catch his breath, all the while talking softly into his ear and running my fingers up and down his thigh. Within minutes he was hard again and pushing me onto my back, catching my left leg and hooking it over his shoulder. He nudged his cock at my entrance, teasing me with it until I was moaning for him to enter me and clawing at his buttocks with my nails. Then he pushed himself inside me again, our juices making his strokes like greased lightning. The sound of our thighs slapping against one another and the feel of his balls against me were driving me crazy. Then he turned me over onto all fours and thrust himself into me from behind. As he reached under me and clasped at my tits I went over the edge and started to buck against him uncontrollably.

I could feel another monster orgasm building up inside me and each stroke brought it nearer. John was moaning really loudly, his hips moving convulsively, pistoning his throbbing cock in and out of me. Then with a great heave we came together, drawing out every drop of pleasure from each other.

Quest: Have you told John about your fantasies?

Mrs L: Yes – we've even fucked as I've described them to him. I suppose it is a way of having sex with whoever I want, whenever I want. Fantasising about sex is the best foreplay I know, and I'm sure John agrees!

QUEST

Name: Miss B
Age: 22
Town of origin: Birmingham
Other details: This petite brunette is very vivacious and sociable and when she goes out she likes to be well prepared...

Quest: You say you like getting ready to go out as much as going out...

Miss B: Absolutely! If I'm going out with a man then the date starts the minute I get home. Most people think that foreplay is something you do just before you have sex for me it lasts for hours. I'm one of those people that would rather have two starters than a main course!

Until recently I was in a steady relationship but even then I would still spend lots of time getting ready to go out with my boyfriend. I must admit, I get a lot of attention from men. I swim everyday so my body is lovely and firm and I've always had a very small waist which accentuates the size of my boobs. I love clothes that show off my figure and if I'm going out then I make sure I look good.

Quest: Have you got a routine to prepare yourself for going out?

Miss B: Yes, and I follow it like clockwork. I always spend hours in the bathroom getting ready. I run myself a lovely deep bath and soak away the day as I plan what I'm going to do that night. Then I massage a scented oil into my skin, sliding my hands over my body as the hot water and the oil mingle. I close my eyes as I begin to relax, caressing the firm roundness of my boobs and running the flat of my palm down over my stomach towards my pussy. As the scent of the oil and the hot water sends me into a dream I move my hand downwards in wide circles. My hands trail down my thighs caressing their soft insides before working their way up again. I run a finger down between the tendrils of my pussy hair and then part my lips. I slip my finger in, teasing my lips with it until I just have to touch my love button. My fingers are slippery from the oil and they slide easily between my lips towards my swollen bud. I work around it, tormenting myself by prolonging the moment when I'll touch it directly. When I do, I gasp out really loud.

I part my legs and use my other hand to tease my hole before sliding one of my fingers in. I use two fingers and then three, sliding them back and forth, filling myself as the water laps around me. The finger on my clitoris is almost a blur and I begin to feel an intense orgasm tingling at the base of my spine. As my vagina opens up like another mouth it sucks the hot water inside me and I imagine that it is a man's cock filling me with its sweet heat. I bring myself to a heady climax with that thought and all the tension in my body evaporates.

Quest: Does that get you in the mood for the night?

Miss B: Yes, it makes me feel very sensual. When I get out of the bath I towel myself dry and then choose what I'm going to wear. I slip on a short, tight dress, one that clings to all my curves and I'm ready for anything...

I'm seeing a man at the moment who loves foreplay as much as I do. He always manages to make the most ordinary evening a feast of sensual pleasure. Last time I saw him he cooked dinner for me at his house. When I arrived at the door he greeted me with a glass of ice-cold champagne, wearing nothing but a pair of well-filled, faded jeans. He took me by the hand and very slowly, piece by piece, he undressed me pausing only to plant little butterfly kisses behind my ears.

When I was naked he lay me down in front of the blazing fire, dipped his finger into the glass of cold bubbly liquid and drew circles round my nipples which sprang to attention like soldiers on parade. My lips parted and I watched through half-closed eyes as he bent his head down and took each nipple into his mouth. The heat of my flesh and the coolness of his mouth sent shivers of lust down my spine. I began to sigh softly as small goose bumps of pleasure appeared all over my quivering flesh.

"I pulled his length into my mouth..."

Quest: How did he continue to ensure your pleasure?

Miss B: His mouth continued to kiss and lick my breasts but his hand reached for the glass of champagne. Without looking up he trickled a river of the freezing liquid down between my breasts. It ran straight down over my flat stomach and collected in a small pool in my belly button before continuing on its path towards the soft hairs that were glinting on my mound. He followed the wine with his mouth, drinking it up with long, flat laps of his tongue. My back arched involuntarily as the freezing cold wine found its way between my pussy lips and dribbled down between them. He didn't seem hurried, lazily lapping at my belly button until he'd tasted every last drop. Then maddeningly slowly his head moved further down until his tongue was nudging the edge of my love lips. I was almost beside myself by this point; my hips were arching off the floor, desperately trying to entice him to sip at my nectar instead.

Quest: Do you enjoy being teased like that?

Miss B: Yes, but it's also excruciating! Next he gently pushed my legs apart to open me wide. He licked his lips at the sight and murmured something about not having eaten yet then bent his head and began to tongue my pussy hole, sliding it in and out. It felt like an electric current was running from my nipples to my pussy and it was wonderful. Suddenly, I couldn't bear the pleasure any longer and cried out, "Please fuck me!"

Without hesitating for a second he shrugged off his jeans and thrust his hard cock inside me. I came instantly and then again and again as he rammed into me. I was on about my fifth climax when he suddenly tensed and drove into me to the hilt, clutching me hard as his straining balls emptied their hot sticky load. He slumped, exhausted, on top of me but left his still hard cock nestling in my hot pussy, our juices mingling together with the champagne and running down between my bum cheeks.

Quest: You had satisfied your need for lengthy foreplay, but what about his?

Miss B: Well, that wasn't the end of the night and his foreplay was afterplay, if you know what I mean! I eased myself from under him and turned so that my head could nestle between his legs. I could smell the fresh scent of sex as I slid his cock into my mouth, softly caressing the fine ridge of his helmet between my lips and running the tip of my tongue upwards. He groaned and turned so his cock could go deeper. I gently stroked my nails down his balls, watching as they seemed to shiver in response. Then I pulled his length into my mouth, and felt him harden to full stiffness as I deep throated him. I'm really quite good at that! I guided him in and out, increasing the tempo as his hips dictated our rhythm. When I felt that he was about to come I cupped his balls and squeezed them slightly. "Oh, yes, baby..." he cried loudly as he shot his second load and I felt the salty wetness sliding smoothly down my throat. Finally we were both satisfied.

LABORATORY OF HUMAN RESPONSE

QUEST

NAME: MISS G
AGE: 24
TOWN OF ORIGIN: YORK
OTHER DETAILS: THIS YOUNG BRUNETTE IS THE MANAGERESS OF HER LOCAL BOUTIQUE. SHE SAYS SHE ENJOYS THE WORK AND HAS ALWAYS PRIDED HERSELF ON BEING AS HELPFUL AS POSSIBLE.

Quest: How long have you been working at the shop?

Miss G: I've been there about a year. It isn't very busy during the week, but the weekends are busy and the clothes are really beautiful. The clientele are nice too. Because of the kind of stock we carry we tend to attract slightly older customers, the ones with enough money to be stylish...

Quest: Have you got to know any of them?

Miss G: Yes, most of them tend to buy a lot of their clothes here so I've developed a chatty relationship with a couple of them. We get men in here too, but mostly at Christmas when they're looking for something for their wives. Then last month something happened to change all that. It was a weekday and the shop was empty. I was looking through the latest magazines to while away the time when the door opened and a very beautiful blonde woman walked in. I could tell that she was used to spending big bucks on her clothes because she was in head-to-toe designer simplicity. She was stunningly beautiful and she took my breath away for a moment.

I said hello and then left her to browse. Most of our customers will ask if they want help, but like to be left alone while they look through the rails. She picked out a couple of things just what I'd have chosen for myself, actually – and I told her so as I showed her through to the changing room. She laughed and said that I looked just lovely how I was...

Quest: Were you embarrassed by the attention?

Miss G: Yes, I felt a blush creeping up from my chest to my cheeks. It wasn't what she said, it was the way that she looked at me when she said it. I felt stripped naked, but it excited me. Our changing room is literally that a large room with a low sofa in the corner so that the customer can sit down if she wants to. As I turned to leave she called to me to keep the door open so that I could see what she looked like in the clothes. I stood outside but couldn't keep my eyes off her. She undressed slowly, as if she was aware she had an audience, undoing her simple silk shirt and revealing two bare breasts underneath. I suppose I've seen a lot of women without bras on, but I can honestly say that her breasts were the most beautiful I had ever seen. Their milky white fullness was contrasted by her large dark red nipples. Then she slipped off her skirt and stood there in just a tiny white silk g-string which barely hid her neatly trimmed blonde bush.

I could feel the heat in my groin and was suddenly intensely aware of where I was and what I was doing. I had never been attracted to a woman before but standing right in front of her like that was tipping me over into completely unknown territory. She must have realised I was staring at her, but she didn't seem to notice, turning this way and that in front of the mirror, examining herself intently. Then without warning she looked up into the mirror and caught my eyes in reflection. "Why don't you come in and try those things on too?" she said, huskily.

"She parted my lips like an exotic fruit"

Quest: Did you respond to her invitation in any way?

Miss G: I didn't really mean to, after all, it meant leaving the shop unattended, but I found myself walking into the room. I was wearing a simple black dress that undid at the back but I couldn't loosen the catch. "Here, let me help you with that," she said, standing in front of me and reaching behind my neck with both arms. She was terrifyingly close to me, I could smell the musky scent of her perfume and feel the warmth from her skin. My breath became short and the room narrowed the space between us. Her hands fell to my shoulders and casually slid the dress down to my waist, revealing my own pert breasts, lightly supported by a black silk bra. I was barely breathing at all as her fingers lightly trailed down arms and oh-so-casually flicked across my stiffening nipples.

She didn't say a word but deftly reached back again and unhooked the bra's clasp. My bra fell away leaving me naked from the waist up. Then her head bent downwards and her mouth grazed my nipple. I could feel a lightning bolt of desire shoot down through my stomach to my groin. The hot juices were flowing out of me, wetting my skimpy knickers as the tip of her tongue traced a faint line around the circle of my nipple and then flicked over the bud before her head straightened back up and she kissed me full on the mouth. I returned the kiss, our tongues entwining, leaping and surging as the passion was acknowledged. As our mouths drank from each other she ran her fingernails down my back causing me to arch my spine towards her. They found their way down to my waist, moving softly under the fabric of my panties to caress the soft skin of my bottom...

Quest: How did you feel at the time about the situation?

Miss G: Transfixed... Maybe if I'd had the chance to think about what I was doing I would never have had the courage to let it get that far but by that point I was totally seduced. Her hand slipped down between my legs and I felt a long slim finger playing with my pussy hair, asking to be let in. I kissed her passionately in assent and then she entered me, hooking her finger inside my love hole and exploring my creamy centre.

Her fingers ran down the length of my slit and then back up again, parting the lips like an exotic fruit. Then she split me open and dipped her head down to taste what she had found. Her cool tongue, which moments before had been snaking its way round my mouth, licked down between my glistening folds of skin and found its way to my clitoris. It darted and prodded until I was panting for her to stop. I tried to pull her up onto the sofa but she smiled and inserted a finger into my wet hole. "Oh, no. I'm quite happy down here for a moment," she laughed. With a couple of strokes of that finger inside me I didn't care, I was in the throes of the most amazing orgasm I have ever had. My whole body spasmed and every cell in my body was experiencing the utter bliss of the moment.

I've had orgasms before, but never with that intensity, it was literally like an out of body experience. It was so totally unexpected and in a sense beyond my control that my mind was totally disengaged from anything else that was going on and my body took over. That afternoon I was initiated into a whole new world of sexual pleasure and seduction that I never dreamt of. I hope she'll come back very soon and give me my second lesson... Ⓜ

CLAIRE WILLIAMS

Girl next door

PHOTOGRAPHS BY JOHN STUART

Cute Claire Williams was spotted for us by one of our lady readers, Sally Freeman, at her local horse riding school in Cheshire. "The first time I saw Claire in her tight jodhpurs, brandishing a crop I knew she was the type of girl you'd go for," says Sally. "So one day I got chatting to her in the tack room and asked her if she'd be game to go nude in *Mayfair*. She jumped at the chance saying she'd often wondered how to go about being a nude model. It's easy, I told her, just take your clothes off and smile. So she did, right there and then!

"I must say at this stage that I'm not a lesbian and neither is Claire, for that matter, but there's a first time for everything so we did have a bit of a kiss and a cuddle in the straw. Now I've seen these sexy pictures of Claire, though, I'm hoping she'll go the whole way next time!" Ⓜ

We have been able to get hold of sixteen — yes, sixteen uncut and uncertificated films from the sex capitals of Europe AND are able to offer them at SPECIAL OFFER PRICES — these films are UNCENSORED BY THE BBFC. To get around import restrictions we have to offer these very special films in pairs and sets of four but this will reduce transport and handling costs so they come to you even cheaper!

SET 1 *WORTH *£200 — Special Offer Price £19.95*

John Holmes & Ursula
EXCITING

John Holmes and Ursula

The Man with the biggest weapon in the business uses his ten inches to great effect — Lucky Ursula takes it from every angle in this **uncut** special. Every sex act imaginable, all in graphic detail.

Exciting

Another classic previously only available on the Continent. Full of the best from behind penetration you will ever see. A sensational uniform lesbian scene. We're talking hot, hot action.

Dick Rambone Does Buffy Davis

And he does!!! Big buxom Buffy is "done" in every conceivable position with Dick's throbbing rampant digit. Finishes with a terrific two on one scene. Good close-up and penetration shots.

Seka Special

Probably the most explicit film we've been lucky enough to see. Superb oral action. An excellent porno nurse scene and a memorable orgy. Seka is incredible. This really should not be missed.

*This set will sell individually in shops for more than *£200 in total. They're yours for only **£19.95**. Yes, £19.95 for all four not £19.95 each.*

SET 2 *WORTH *£200 — Special Offer Price £19.95*

Sexy GIRLS
COLOR CLIMAX 125

Sexy Girls

Packed with well-built horny girls and a variety of household implements plus total oral explosion and a very large selection of very large hot rods. Horny mixed action and a variety of pleasuring positions.

Color Climax 125

Exactly what you would expect from this classic Scandinavian title. Excellent ejaculation action and hot lesbian scenes. Open legs, open mouth, open up and in he goes — it's hard, fast and explicit.

BLUE SCREW
BLACK TOP
SEX

Blue Screw

The best group and lesbian action available. Full penetration, orgasm and oral/toss. This film is guaranteed to bring you instant sexual relief. The three girl lesbian orgy is a classic. You'll find their antics incredible.

Black Top

A special for gays, and girls who like their man big. This is a hot all male film with more rigid muscle than we've seen before. Absolute filth and smut, full of torrid sex action.

*This set will sell individually in shops for more than *£200 in total. They're yours for only **£19.95**. Yes, £19.95 for all four not £19.95 each.*

WARNING: All these films are uncertificated, imported from Europe. These films are totally uncut featuring harcore scenes. These are not for sale in any other outlet in the UK. These films contain highly explicit sexual material. They feature close-ups of intercourse by groups, lesbians, males and females.

a fountain of spunk into Kay's mouth and was rewarded by the sight of it dribbling from her lips as she kissed Jane.

The evening ended with all of us exploring every combination of sexual pleasure possible. Apparently the girls do this about once a month, playing sexy games and inviting a lucky man to help them out. I've already received my invitation for the next party so here's to next month! – Dennis, South Wales

WILD WORKMAN

For the last five years I slowly trained my ex-boyfriend, Harry, to satisfy my every need. He cooked, cleaned and generally ran the home while I went out to work. I thought I could create the ideal New Man but all he became was a right wimp. Even when he felt horny and was obviously in need of relief, he always waited for me to make the first move. I was so bored. I wanted a big hard cock rammed tight into my snatch, I wanted a man to fill me up with come until it gushed out of me and I wanted it now!

While Harry scrubbed the kitchen floor, I worked in an office block which was undergoing construction so the place was literally crawling with workmen. I looked up from my desk one morning to find a hunky workman staring right down my cleavage. Okay, so I know I've got a great pair of breasts, large and firm with small nipples, but did he have to stare quite so obviously? At least someone was paying them attention; Harry hadn't even glanced at them for weeks.

The workman seemed to stand outside the window all day. Although outwardly I ignored him, I revelled in the attention. I could feel so much dampness seeping into my knickers, I was afraid it might start to dribble down my stockings! By the end of the day I could feel my clit pressing urgently against the soaked crotch. This bloke was 6' 3" and muscular, the muscle I was trying not to interest myself in bulged hard against his cut off denims.

Whenever I have a stressful or frustrating day (like this one!) I love to stay behind in the office to unwind. I keep a way to relieve tension locked safely away in my bottom draw. It's about 8 inches long, makes a curious buzzing sound and satisfies me a lot more than Harry does! Normally I tease myself, stroking the strong tip against my pussy lips before thrusting it up my eager hole. This time I was so horny I pulled my drenched knickers aside and stuffed the dildo right up me, my fanny muscles clenching and relaxing with a furious rhythm.

I was just beginning to unwind

ANITA

Anita's stunning debut in the last issue of *Mayfair* (Vol 29 No 11) left us panting for more of this gorgeous new megababe. Something she was only too happy to agree with.

"When I saw the pictures I couldn't believe how sexy I looked," gushes 21-year-old Anita. "Although I remember I felt really sensual at the time. I've chosen a white robe for this shoot. It makes me feel innocent but a little naughty at the same time!" With those firm breasts and perky bottom, it would be a sin to hide those slinky curves away! And talking of sins what's your favourite sin then, Anita?

"Lust of course!" Ⓜ

Why go to the pub on New Year's Eve when you could be snuggled up in bed with these two? But who are they, we hear you ask! Well you'll just have to buy the next delicious issue of *Mayfair* to find out.

when I heard footsteps. There at the door stood the workman. I flushed with anger at being disturbed.

"It's a shame a cracking bit of skirt like you needs a plastic cock to get you going. I don't suppose your man is much cop with his donger, is he? I bet you've never had a good shag in your life."

I was raging and yelled, "He's the most considerate lover I've ever had – not that that's any of your business!"

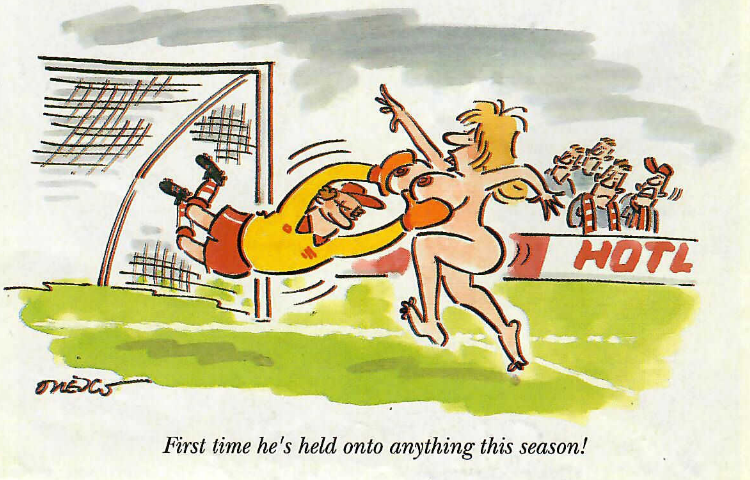
"Yes," he smirked, "but I bet he never gives you the kind of good hard fuck you need, eh darling?"

"Oh... and you could?" I fumed. "It wouldn't surprise me if this is all bluff and you've got the smallest dick in the world." Okay, so unless that was his shovel shoved down his shorts, it wasn't true. Now I had challenged his manhood, I hoped he would rise to the challenge.

He calmly strolled over and dropped his shorts. If my dildo had any feelings it would have felt inadequate. Like the rest of his muscles, his love muscle was huge.

For some reason I've never felt so turned on in my life. "It may be huge but you don't know how to use it," I sniffed. It was intended as another challenge, one I knew he couldn't resist. Before you could say "What, no foreplay?" he ripped off my knickers and pulled out the dildo. Rubbing his hand against my pussy, he jerked himself off to rock hardness. Then, without any warning, he was in and thrusting away. He grabbed my waist and pulled me onto him as he pushed deep inside me. It felt so good as I screamed out "Harder!" with each thrust. My eyes screwed up, my teeth gritted and I could feel my bum cheeks clenched tight. Speared on his cock, I was in total ecstasy. My ankles were up by my ears and my fanny stretched as far as it would go. When I finally came every part of my body, every inch screamed out for the orgasm never to end.

Since then, I have chucked Harry. If I need a good hard shag now, I usually find a well-hung workman willing to use his tool! – Alexandra, Wiltshire Ⓜ



First time he's held onto anything this season!
